

RESPONSIBLE CARE®

5X

Each year, 3 out of approximately 100 certified companies are named **Responsible Care Partner of the Year**. TQL has earned this distinction 5 times (2018, 2020, 2021, 2022 and 2023).

Contact ResponsibleCare@TQL.com for more information.

SERVICE.

TQL provides dedicated single-point-of-contact service to safely arrange movement of most hazmat loads via truckload and LTL. Additional rail solutions available.

PEACE OF MIND.

Our chemical and hazmat Logistics Account Executives are backed by a specialized Distressed Load Assistance team and have specialized training to ensure safe transport of your chemical & hazmat loads.

CONTINUAL IMPROVEMENT.

Continual Improvement: As a Responsible Care Partner, we evaluate and improve our sustainability efforts, Business Continuity Plans and chemical & hazmat transport policies and education so your shipments receive the best care.
